A. Yes B. No

Section B (2 points each)

1. Steve cannot get to the ball because Siyoli gets in the way. Should Steve say:
A. Nothing B. Let please C. Stroke please
2. Siyoli cannot get to the ball, because Steve makes no effort to get out of the way. Siyoli asks: "Let please?" What should the Referee's decision be?
A. No Let B. Yes Let C. Stroke to Siyoli
3. The ball hits the front/side wall nick and instead of coming to Siyoli's backhand, the ball passes in front of her and she has to switch to her forehand. Steve is now preventing Siyoli's swing. What is the Referee's decision?
A. No Let B. Yes Let C. Stroke to Siyoli
4. Steve hits a hard serve to Siyoli's backhand. The serve hits high on the side wall, then back wall which forces Siyoli to turn and she shapes to play a forehand shot but Steve is now on the T in her way. Siyoli holds the shot and asks for a let. What is the Referee's decision?
A. No Let B. Yes Let C. Stroke to Siyoli
5. Steve does not play his shot for fear of injuring Siyoli and asks for a let. What should the Referee's decision be?
A. No Let B. Yes Let C. Stroke to Steve
6. Siyoli's own shot comes off the front wall towards her and she jumps over it. Steve is still in the back of the court and cannot reach the ball but asks for a let. What should the Referee's decision be?
A. No Let B. Yes Let C. Stroke to Steve
7. Steve hits a good shot directly to the front wall, but the ball hits Siyoli before reaching the front wall. What should the Referee's decision be?
A. No Let B. Yes Let C. Stroke to Steve
8. Siyoli plays a shot towards the side wall, but on the way to the front wall, the ball hits Steve. What should the Referee's decision be?
A. No Let B. Yes Let C. Stroke to Siyoli
9. Siyoli attempts to play the ball and misses. She hits the ball on the 2nd attempt, but the ball hits Steve on the way to the front wall. What should the Referee's decision be?
A. No Let B. Yes Let C. Stroke to Siyoli
10. What should the Referee's decision be if neither the Marker nor the Referee saw whether the ball was in or out of court?
A. No Let B. Out C. Play a Let
11. Siyoli plays a shot which was not a winner and the Marker calls the ball down. The Referee is sure the ball was good. What must the Referee do?
A. Award the point to Siyoli's opponent
B. Play a Let
C. Award the point to Siyoli

12. Siyoli serves to Steve but Steve does not return the serve because he thinks the ball is broken. The Referee confirms that the ball is broken but is unsure when the ball broke. What should the Referee do?
 - A. Give the players a new ball and play a Let on the current rally
 - B. Give the players a new ball and play a Let on the previous rally
 - C. Give the players a new ball and award the point to Siyoli

13. Steve plays a shot to the front of the court which Siyoli moves in to play. While Siyoli is playing her shot, Steve deliberately stamps his feet to distract her. Siyoli appeals. What should the Referee do?
 - A. Play a Let and issue a conduct warning to Steve
 - B. Award the point to Steve
 - C. Award the point to Siyoli and issue a conduct warning to Steve

14. Steve drops his racket during the rally and asks for a Let. What would the Referee's decision be?
 - A. No Let
 - B. Yes let
 - C. Stroke to Steve

15. The shock absorber comes off Siyoli's racket during a rally with Steve. What should the Referee do?
 - A. Allow play to continue
 - B. Stop play immediately and award a Stroke to Steve
 - C. Stop play immediately and play a Let

Section C (3 Points each)

1. During a rally, Steve trips over his own feet and twists his ankle. What type of injury is this?
 - A. Self-inflicted
 - B. Contributed
 - C. Opponent-inflicted
2. Whilst making every effort to clear the ball, Siyoli accidentally trips over Steve's feet and hurts her ankle. What type of injury is this?
 - A. Self-inflicted
 - B. Contributed
 - C. Opponent-inflicted
3. How much time should the Referee allow for a Self-inflicted injury?
 - A. No time
 - B. 3 minutes
 - C. 15 minutes
4. After a long rally, Steve drops to the floor and holds his thigh. He tells the Referee that he has a cramp in his leg. As a Referee, how would you categorize the cramp?
 - A. Illness
 - B. Self-inflicted injury
 - C. Contributed injury
5. Steve has an asthma attack on court. What are his recovery options?
 - A. None, he must continue play immediately
 - B. Either continue play immediately or concede the game and take the 90 seconds between games
 - C. Either continue play immediately or take 3 minutes to recover and then continue play
6. Christo dives to get a shot back, grazes his knee in the process and bleeding occurs. What recovery time should be given by the Referee?
 - A. 3 minutes
 - B. 15 minutes
 - C. A reasonable time
7. Siyoli feels nauseous and is unable to leave the court quickly enough. She throws-up on the court. What should the Referee do?
 - A. Award the match to Siyoli's opponent
 - B. Allow time to clean the floor
 - C. Move the match to a different court
8. Steve could have held his shot but dangerously continued with his swing and hit Siyoli with his follow through. As a result, Siyoli's arm is cut and bleeding occurs. What should the Referee do?
 - A. Award the match to Siyoli
 - B. Give Siyoli time to stop the bleeding and then continue with the match
 - C. Give Steve a Conduct Warning and then continue with the match
9. Steve is being coached by Mr Hansen during his match. What must the Referee say?
 - A. Nothing
 - B. Conduct Warning Steve for receiving coaching during play. If this continues you will leave me no option but to award a Conduct Stroke against you and I will ask Mr Hansen to leave the court area.
 - C. Conduct Penalty against Mr Hansen for coaching.
10. What should the Referee say when awarding a Conduct Stroke against Siyoli for racket abuse?
 - A. Conduct Siyoli, Stroke to Steve for racket abuse
 - B. Siyoli, you can't do that. Conduct Stroke against you
 - C. Siyoli, you abused your racket. Stroke to Steve
